

Treasury Accountant

> Finance > Treasury

What's it all about

As a Treasury Account you will be a finance professional helping the organisation manage their money and financial risks. Your focus will be ensuring accurate recording of treasury activities, monitoring daily cash balances, determining operational cash requirements, support the management of the organisation's debt portfolio. You will be the treasury lead for the treasury management systems and all treasury systems integration.

This role involves a robust understanding and application of the organisation's treasury management policy, financial policies, and treasury management systems to deliver a highly efficient treasury function and best in class treasury service to all stakeholders.

How you'll make a difference

Your role is pivotal in nurturing a customer-centric culture within the Finance team and across the organisation. By leading the way with prudent management of the group's liquidity and meticulously carrying out your daily treasury activities, you will play a key role in supporting the business to focus on our residents, enhancing customer satisfaction and driving the organisation's success.

How you'll do it

- Delivering an outstanding operational treasury service to both internal and external stakeholders
- Ensuring the Treasury Management System is kept up to date using the system to effectively manage the group's debt portfolio
- Lead on enhancements to the Treasury Management System improving processes with dynamic reporting making treasury digital
- Maintaining the covenant compliance schedules ensuring information to lenders is provided when due
- Ensuring floating rate loans are rolled over at the most cost-effective rate and ensuring all interest payments are made when due

- Ensuring Bank mandates are kept up to date for the group's bank accounts
- Forecasting and monitoring cash requirements ensuring the group has sufficient cash to meet its liabilities
- Ensuring surplus cash is invested in line with the group's treasury management policy
- Ensuring all treasury related activities are accounted for in accordance with respective Accounting standards
- Hybrid arrangements - at least two days a week in an office or in a community/site based/partnership setting. On other days, working from home may be possible, depending on the work needed and the interaction required.

All about you

Our values

We succeed together

By working as one and respecting diverse perspectives, we support each other to consistently deliver better outcomes for our residents and communities.

We keep our word

We do what we say we will do, and act with integrity and ownership to build trust and provide the high-quality service people expect from us.

We do better every day

We are always looking for better ways to work and raising standards and strengthening communities through continuous improvement.

Essential knowledge, experience and skills

- Proven knowledge of Treasury Operations and their impact on the business
