

Solicitor - Debt Recovery

Working better together
for our residents

> Governance and Risk Directorate > Legal Services

What's it all about

Leading and empowering a team to provide first class legal services to NHG. To effectively manage legal cases relating to debt recovery.

Conduct and supervise in-house litigation matters, particularly in debt recovery and associated risk, building great relationships with operational client teams.

You will take ownership of cases, working collaboratively to drive them to conclusion.

How you'll make a difference

You will ensure that legal cases are handled effectively and swiftly, mitigating business risks while remaining as resident centric as possible.

You will act as a trusted subject matter expert on key areas such as income collection, arrears possession claims, recovery of former tenant arrears and any other debt recovery legal action both for and against NHG, giving NHG confidence in its ability to recover debts owed.

How you'll do it

Management

- Lead and mentor a team of paralegals to ensure assigned casework is managed effectively and to a high quality.
- Identify career progression, support and training needs in your team and put in place appropriate training and learning plans.
- Swiftly address performance and conduct issues in line with NHG policy.
- Monitor your team's caseloads to ensure performance indicators are met, and provide business reporting as required.
- Ensure cases are managed in accordance with practice management standards and procedures set for the team, and report on compliance.
- Ensure a consistent, collaborative and visible service is being delivered.

Legal Services

- Take responsibility for management of own caseload comprising a variety of debt recovery litigation matters (including but not limited to arrears possession claims for both tenants and leaseholders, leasehold forfeiture claims, service charge disputes, debt claims, enforcement actions (including charging orders, forfeiture proceedings, high court enforcement)
- Provide support and to deputise for the Head of Legal (Litigation) and lead on complex and/or substantial matters providing subject matter expertise.
- Provide a source of legal expertise that represents and advocates for NHG on a range of debt legal issues and provides advice and training to Operational staff, equipping them to proactively manage debt escalation.
- Be responsible for the day-to-day management and development of the debt recovery workstream within the in-house legal team.
- Be a specialist resource providing legal guidance to frontline teams, developing their knowledge to support residents and safeguard NHG.
- Be accountable for the preparation, drafting and response to all legal documentation, bundles, evidence and witness statements and ensure your team delivers these to a high standard. This includes internal papers.
- Ensure high risk cases are flagged and prioritised. Anticipate risks to the organisation and propose mitigations.
- Work collaboratively with other in-house legal workstreams such as disrepair and compliance.
- Manage legal spend in accordance with budget and legal services framework.
- Willingness to increase and share professional knowledge to build capacity and capability within the in-house Legal Team.
- Develop and implement processes and procedures to ensure the efficient and effective provision of debt recovery activities and other litigation services within the team to ensure they are managed in a compliant manner.

All about you
