Repair Delivery Manager

> Operations > Repairs/Repair Delivery

What's it all about

As a Repair Delivery Manager, you will play a key role in ensuring our responsive repairs service is best in class. You will have exceptional leadership, organisational and technical skills to manage the teams daily activities and ensure the successful delivery of our repairs service.

You and your teams will oversee and manage the delivery of day to day repairs across the operational businesses. You will be responsible for ensuring the efficient and high-quality repair and maintenance of our homes while leading and developing a team of repair professionals.

You will work closely and collaboratively with colleagues and stakeholders across NHG and externally to drive improvements and offer a first-class service to our customers.

How you'll make a difference

- Ensuring our residents are provided a consistently high-quality repairs service that delivers against the six customer priorities in the customer strategy
- A visible NHG presence, making sure all visits and inspections are completed on time
- Delivering well cared for homes and places where residents feel safe and a sense of pride through top class contract management.
- A responsive service, where staff and resident queries and complaints are actioned thoroughly, timely and learnings are taken from feedback
- Recommend, oversee and manage the best external suppliers, agents and contractors to meet our targets.

How you'll do it

Leadership

- Establish and maintain a culture of service improvement, supporting staff to deliver change projects to meet developing and evolving customer needs.
- Effectively promote collaborative approaches to engage teams to work successfully to

deliver the objectives of the Better Together strategy

- Provide relevant senior level advice and guidance as required
- Take responsibility for your own development, ensuring any gaps are identified and a learning plan put in place. Ensure every member of staff has a clear objective and learning plan

Operational

- Develop and implement efficient repair and maintenance processes and workflows specifically within the delivery of day to day repairs to embed the foundation of the Repairs Hub
- Establish key performance indicators and dashboards to regularly report on Repair Hub performance and identify jeopardy cases.
- Assist in the management of the budgets for all day to day responsive repairs across the operational directorate.
- Identify cost-saving opportunities and strategies in conjunction with operational colleagues to optimise the repairs budget.
- Collaborate with our Customer Service Team and managers to address concerns and enhance customer relationships, ensuring a positive repair experience.
- Approve and monitor escalated cases ensuring keen oversight of costs and escalated repair cases
- Monitor and evaluate regional repair operations to ensure they align with our Better Together and Customer Strategies, and performance standards.
- Ensure that the repair and maintenance works carried out by our contractors is within SLA and to a high quality.
