Role accountabilities
<p>Overview</p> <ul style="list-style-type: none"> • Provide high quality, professional and comprehensive executive support services to the Chief Information Officer (CIO), including secretarial and administrative support day to day. Director support within designated Directorate(s) where necessary. • Act as project officer for various internal projects. • Use initiative and work independently to resolve issues or problems (at times without CIO involvement), ensuring the effective and efficient management of the CIO's work programme. • Provide effective diary management, email monitoring (including prioritisation), arrangement of travel/accommodation if required. • Represent CIO(s) in a professional and confident manner, managing stakeholder relationships effectively. • When working from an office location, welcome and offer hospitality to visitors as appropriate. • Provide effective day to day handling of confidential and sensitive material/documents/information. • Undertake research or lead on projects on behalf of the CIO(s) where appropriate, ensuring that they have information from various sources to carry out their work. • Participate in an effective EA/PA/Admin network across NHG by supporting the others in the group to maximise efficiency, as well as acting as a role model for junior/new administrators/PAs, assisting with their development as required/appropriate.

Role accountabilities

- Generate reports, presentations, policy papers and routine correspondence as required either for or on behalf of the CIO(s) (and others if required).
- Plan and organise internal and external meetings, workshops, awaydays etc. as required, producing agendas, capturing accurate and succinct minutes, arranging venue/catering as needed. This includes planning, organising and attending out of hours events as required.
- Ensure CIO(s) is(/are) well prepared for meetings and events by providing papers/documents in good time.
- Follow up on actions or decisions (taken at meetings or otherwise instructed by the CIO(s)) that require progression, ensuring all involved are kept informed and due process is undertaken. Organise and motivate colleagues as needed. Ensure that issues coming into the CIO(s) are progressed and resolved in the short, medium and long term.
- Efficiently keep information/filing/database systems up to date, including budget monitoring, providing administrative support on financial processes, e.g., purchase orders, invoices etc.
- Consider improvements to existing administrative processes and implement as required/reasonable.
- Plan events as required, ensuring that the CIO(s) is(/are) prepared for such events.
- Identify, flag and progress complaints/legal notices received by CIO(s), ensuring an appropriate response is sent. This may involve liaising with teams, drafting, proof reading and quality checking complaint responses that come to the CIO(s) for approval. Arrange follow up actions and oversee to completion if needed.
- Support the CIO directorate(s) as required, this may include managing post (collection, dispatch, mail outs), deliveries/couriers, stationery supplies, etc.
- Provide cover for PAs providing Group Director support in other directorates, as well as Director support within directorate.
- Undertake ad-hoc projects and tasks as directed.

General

- Ensure you follow the financial regulations, policies and procedures at NHG.
- Ensure that GDPR rules are followed so that NHG is compliant.
- Ensure that you follow relevant Health and Safety policies and related procedures, keeping up to date with changes and taking action to maintain personal health and safety and that of others.

This list of tasks and responsibilities is not exhaustive, the post holder may undertake other duties as required. As NHG develops a new competency framework, this will be added to all roles as appropriate.

The tasks and responsibilities outlined above are not exhaustive; the post holder may undertake other duties as is reasonably required.

To do the job well, we have outlined the knowledge, experience, and skills you need to do the job.
